

Our mixtures

We build mixtures that are suitable for you, your target market and your conditions. At our core, we are creative thinkers and problem solvers and we'd love to work with you.

The "standard" mix

Landscaping and lawn turf

The "standard" mix; landscaping and lawn turf

They come in lots of different shapes and sizes, but the overwhelming majority of crops fit into the large bracket of "general landscaping/lawn turf".

Exact seed mixtures vary from grower to grower; here's a template as useful starting point

The "standard" mix; landscaping and lawn turf

They come in lots of different shapes and sizes, but the overwhelming majority of crops fit into the large bracket of "general landscaping/lawn turf".

Exact seed mixtures vary from grower to grower; here's a template as useful starting point:

- 20-30% perennial ryegrass
- 20-50% strong creeping red fescue
- 20-50% slender creeping red fescue
- 0-20% Chewings red fescue
- 0-10% smooth-stalked meadowgrass
